Hyndland News
September - October 2017

Welcome to the September/October Hyndland News.

I hope you all had an enjoyable October break and are ready for what is always a very busy term in Hyndland.

Just prior to the October break all of the Duke of Edinburgh expeditions were completed. Congratulations to all the young people who completed the Bronze and Silver level expeditions. You must have a great sense of achievement! Now you need to make sure your eDofE is completed so that you are able to receive your award. Thanks are also due to Ms Watt, Ms Lake, Mrs. Bell and the other members of staff who organised and participated in all the hikes. Without the dedication and commitment this award would not be the success it is in Hyndland. Thank you for all your efforts. S3 will shortly hear about DoE and there is a taster day arranged for them in December.

Our S1 pupils also enjoyed a very successful trip to Barcaple Outdoor Centre. 140 pupils took part in a range of outdoor activities. A great time was had by all and the pupils were commended by the staff of the centre for their excellent behaviour, determination to succeed and the support that they offered to each other during the activities. Those not attending followed a program in school focusing on the same themes and enjoyed a day at Murdock Park with Outlook Adventure for some outdoor learning. Thank you Ms Neilson and Ms Burns for organising it and to the staff who accompanied the young people who made this trip possible.

As you will be aware we are aiming to raise £8,000 over the course of the session to purchase the mini-bus which Arnold Clark have given us use of for the year. So far the mini-bus has been used for a very wide range of activities and we really would like to keep it! Our first fundraising activity was a great success and raised £1233.50 – a fantastic amount. Thank you to all the parents / carers / staff and friends of Hyndland Secondary who came along to support the evening. The evening would not have been possible without Mr. Downie's drive and enthusiasm – thank you very much! Details of future events are contained within this edition.

Maura McNeil
Head Teacher

SCHOOL FUNDRAISING

School Quiz

This year's Spero Meliora Fundraising Campaign kicked off in style on Friday 6th October with our School Quiz at Hughenden, which saw a fabulous turnout from parents, carers and staff and raised £1233.50. Many thanks to Hugh Keevins for coming along to speak and present a special bonus round of 'Beat the Pundit'. Thanks also to Mr Downie for both organising and compering the evening.

School Calendar

We are currently in the process of producing special edition school calendars, featuring pupil artwork to help raise school funds this year as part of our Spero Meliora Fundraising Campaign. These calendars will hopefully be available sometime in November for purchase from the school office, parent's evenings and local shops.

Gala Dinner – Save the Date

Tickets will be on sale shortly for our Gala Dinner on Friday 16th February at Cottiers Theatre, which we are planning as part of our Spero Meliora Fundraising Campaign so keep the date free!

TESCO

Bags of Help

Hyndland Secondary School calls out for votes to bag a share of bag fund

Hyndland Secondary School is bidding to bag a massive cash boost from the Tesco Bags of Help initiative.

Tesco teamed up with Groundwork to launch its community funding scheme, which sees grants of £4,000, £2,000 and £1,000 - raised from carrier bag sales in Tesco stores - being awarded to local community projects. greenspace scotland is working with Groundwork to provide support to communities in Scotland

Three groups in every Tesco region have been shortlisted to receive the cash award and shoppers are being invited to head along to Tesco stores to vote for who they think should take away the top grant.

Hyndland Secondary School is one of the groups on the shortlist. Our bid is focusing on developing both the greenspace around our school grounds and also to purchase new furniture for our school playground for student use. The eco group will be able to make use of some of the funding to help develop our school grounds by planting wildflowers and plants. We have bid for a total of £2500.

Voting is open in all Tesco stores throughout November and December. Customers will cast their vote using a token given to them at the check-out in store each time they shop.

Can we please ask all parents / carers / friends of Hyndland Secondary School to vote for our school project during the two months as they visit any Tesco store.

Thank you!

SPORTING NEWS

Hyndland Hummingbirds – (Netball)

All teams are really enthusiastic to get involved!!

This year sees the start of a team in the S1 Glasgow league due to the enthusiasm and passion of our new intake. Their games start in November.

S2 team have had a great start to the season with a 40-8 win over St Thomas Aquinas.

S3 open team were also very successful in their match too winning 39-8 against St Peters

Lots more matches have been arranged for our all our teams including our Senior Open team as well in the hope to keep our title of Scottish Champions.

Well done to our S1/2 football team who beat Bannerman 2-1 in the cup. Boys played exceptionally well.

Some of our Senior Tennis Ambassadors had the amazing opportunity to train with Judy Murray! Judy was incredibly positive about our Ambassadors and looks forward to working with the school in the future. Tennis club runs on a Thursday at lunch time. Come along! #schooloftennis

Look who popped by our rugby training! Only the **Glasgow Warriors**! What a fantastic opportunity to meet the players who have inspired our pupils to take part in the sport. Rugby training takes place every Thursday after school with Mr Mathieson. Everyone welcome!

Scotland vs Slovakia

Hyndland were at Hampden to cheer on Scotland. 49 pupils were singing for the full match and it must have worked because Scotland went on to get a last minute goal! Thanks to Mr Hall for organising!

Hyndland Foxes

Many thanks to our local garage Caruth Jordanhill Ltd who have very generously sponsored a new second strip this season! With yellow tops and green shorts, the *Verde-amarelo* kit as the Brazilians refer to it, resembles not only some of our school colours but also the famous Brazilian football colours! We hope it will bring further success and inspiration to all our young people who wear it!

S3/S4 Football Update

After a tough start to the season, losing our first two games away from home against Vale of Leven and All Saints, our S3/S4 pupils have shown tremendous character in all their matches and have returned to winning ways with a magnificent 5-2 victory against St Thomas Aquinas at Scotsoun with Tyler Quinn scoring the opener, a hat trick from Fergus Boyce and a wonder goal from Paul Sweeney. We have also had 3 players selected for the Glasgow Schools Select Team to play in National Trophy matches this year! Well done to Magnus MacMillan, Matthew Melvin and Paul Sweeney who will represent the school and the city in matches this season.

Football Transition Trip

Following on from the success of last year's trip to see Burnley and Manchester United, this year's football transition trip is scheduled to take place on Saturday 2nd December with pupils from local primary schools joining our own young people for a trip to the Etihad Stadium to watch Manchester City versus West Ham United.

Chess Club

Mr Swan is excited to announce that the Junior Chess Team will compete in the Glasgow Schools' Chess League for the first time in almost 20 years! Students will compete in matches against a number of schools from across the city including Hillhead, Glasgow High, Mearns Castle, Kelvinside Academy and OLSP. Historically Hyndland has a proud and successful history whenever they have competed in the Chess League and we are delighted to see the school represented once again after a prolonged absence. This is just one of the many opportunities made possible by our new minibus. Good luck to all students involved!

Crest Awards

Huge congratulations to Jack Hamilton and Alexander Goss Pastor of S2 who received their Bronze Crest Awards recently following the completion of their scientific research on Investigating Treatments for Dehydration. The standard of the write up produced by both pupils was fantastic and everyone in the science department wish to extend their congratulations to them! Well done!!!

STEM Certificate

The school received a certificate this week recognising our work with STEM Ambassadors, and increasing our young people's awareness of the range of possibilities opened by studying STEM subjects.

SCIENCE DEPARTMENT

Science Club

The S1 science club have been busy in recent weeks, making optical illusion dinosaurs, planting Mimosa Pudica (the tickle – me plant!) seeds and have also started work on their entry for this year's BP Ultimate STEM Challenge called 'Parched Plants'. Well done to all students for their efforts so far this year and good luck for the Ultimate STEM Challenge!

Lab Skills

Students studying National 5 Laboratory Skills are currently working through their microbiology unit, and the science department have been very impressed by their developing skills and general enthusiasm. The class also have a number of trips to look forward to this year including a trip to Glasgow Scientific Services. Well done everyone, and keep up the good work!

Hyndland Expedition

Plans for our Hyndland Expedition to Ecuador and Galapagos are coming together with flights being booked this month. Pupils will depart on 17th June and return on 3rd July, having spent a week in the Ecuadorian Rainforest and a week on the Galapagos. Amongst other fundraising efforts, pupils will be bag packing at Sainsburys in Drumchapel on Saturday 21st October and Friday 8th December. Well done to Eilis Fraser who completed the Glasgow Half Marathon recently and also climbed Ben Nevis with fellow expedition team mate Maya Pereira- James. Fantastic effort ladies!

DRAMA

S2 PANTOMIME

There are still a number of tickets left for the S2 pantomime visit to the Tron Theatre to see 'Alice in Weegieland', on the afternoon of Wednesday 13th December. Can pupils please return their consent form, along with £10 for the ticket and coach cost. These should be returned to Mrs McFedries in room L113 at tutor time. Thank you.

'BEAUTY AND THE BEAST'

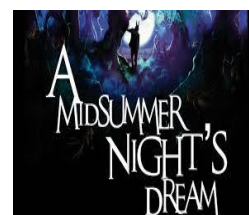

A massive thank you from Mr Byrne and Mrs McDade to everyone who took part and attended the School Show 'Beauty and the Beast' at Cottiers Theatre in June. It was one of our best attended shows to date (massive thank you to all staff, pupils and members of the community who attended) and a brilliant time was had by everyone involved! The pupils worked exceptionally hard and we would also like to congratulate them on their participation. A special thank you also goes to Malcolm Campbell, Louise Edgerton, Rachael Smart and Jodie Stewart, without whom the event wouldn't have been possible, and of course to Cottiers Theatre for allowing us to use their fantastic venue.

Rehearsals for this year's production of 'Grease' are just getting underway, but it's not too late to join in the fun! Come along to the Theatre on a Wednesday after school to get involved!

SHAKESPEARE SCHOOLS FESTIVAL

Our current S4 are taking part in the Shakespeare Schools Festival and will be performing 'A Midsummer Night's Dream' at the Tramway Theatre on the 8th of December. Rehearsals are just beginning and it looks like it will be a fantastic event. Tickets will be available shortly and it would be lovely to see as many supporters for our extremely hard working young people as possible.

DRAMA EXCURSION TO 'THE MACBETHS'

My Byrne's Higher pupils attended a modern re-telling of Shakespeare's 'MacBeth' this month. The play was performed in the small Circle Stage at the Citizen's Theatre. Setting the entire play in the smoke-filled bedroom of the couple allowed for an intimate look at the relationship between the characters. After the curtain fell, the pupils spoke enthusiastically about the play in particular the use of props and special effects – especially the amount of fake blood that was used! It was great to see so many pupils venturing out on a particularly wet night to enjoy some theatre.

HIGHER EDUCATION FAIR

Seventy of our S6 Students attended this year's Higher Education Fair at the SECC. They were able to meet up with representatives from all the Universities in Scotland, and discuss courses and entry requirements. Our students were great ambassadors for Hyndland Secondary, and the Fair will help them make informed choices when applying to University.

Margaret Pollock

Principal Teacher of Pastoral Care

EUROPEAN DAY OF LANGUAGES is celebrated every year on 26th September. It is an opportunity to alert the public to the importance of language learning; increase plurilingualism and intercultural understanding; promote the rich linguistic and cultural diversity of Europe; and encourage lifelong language learning in and out of school.

This year, the Modern Languages department at Hyndland organised a wide variety of activities for pupils across all year groups. There were quizzes, challenges, poster competition, a QR code treasure hunt, pupil discussions, photo booth with an international flavour and of course international music! It was also the week for the launch of the Russian club - almost a class of 30 pupils had signed up!

Staff from across departments had the opportunity to use their language skills by greeting pupils as well as engaging with lesson starter activities that linked their subject to foreign languages. The canteen staff also got in on the act by organising a European themed menu. A number of staff and pupils also took part in a world record attempt by saying "hello" in a language they knew or had learned at school or university.

A huge thanks to everyone who took part in the event or helped out in anyway. Lots of photos and videos of the week can be found on the twitter account @Hyndland_ML.

Elena Stylianou

Teacher of Modern Languages

CLARINET ENSEMBLE TRIP TO THE RIVERSIDE MUSEUM AND THE TALL SHIP

On October 6th, the Clarinet Ensemble (all seven of them) set off on foot to the Tall Ship and the Riverside Museum for an afternoon of itinerant performing. We were ushered below decks on the Tall Ship and shown where to set ourselves up. Clarinet cases soon adorned barrels scattered around the space. It was very unusual venue for a performance, with the floor being decidedly uneven, but the acoustic was great. We had been asked to play pieces with a nautical theme, if possible, and so our repertoire included The Drunken Sailor, The Skye Boat Song and also themes from Pirates of the Caribbean (one of our member's favourite pieces!). After fifteen minutes of playing, we were escorted over to the Riverside Museum, where we were asked to set ourselves up right under the noses of two rather large model horses. I think that amusing photo opportunities had already been planned. There was more of an audience to play to here, which got the adrenalin going. After another fifteen minutes, we packed up again and headed back to the Tall Ship for another session. We were getting the hang of this! Such concentrated playing made us all quite tired, but it was with satisfaction that we finally wended our way back to Hyndland. Some players had sore feet by the time we got back to school so I think next time we will speak nicely to someone about using the minibus...

Lorna Holl

The wonderful GSSO concert took place in the Glasgow City Halls, and was very beautiful to watch. In my opinion, it was constructed brilliantly, the introduction of each piece and the running time of the performance was excellent, and I really liked when they broke the orchestra down so you could see what was playing and when. My favourite part was when two nominees from each school conducted the performance of the Scottish music piece because it was interactive and you felt you were part of the ensemble. As a musician, I admired the fantastic playing, and would highly recommend any GSSO concert, as for me, it was a very educational but fun experience.

By Holly Gilchrist S2

Live at Lunch

When: @ 1pm on...

- **Tuesday 5th September**
- **Tuesday 3rd October**
- **Tuesday 7th November**
- **Tuesday 5th December**

Where: Airlie Theatre

Who: All staff and pupils are warmly invited; especially those who receive instrumental lessons can come along to watch for free.

- **Anyone learning an instrument in or out of school can sign up to perform. Come to the music base to sign up.**

Live @ Lunch

The Live @ Lunch concert series kicked off on Tuesday 5th September and proved to be an afternoon showcasing excellent musical talent from some groups and soloists who were from all school years. If you weren't able to make it along to this concert, don't worry as there will be a Live @ Lunch each month so either come along to support your peers or sign up to perform.

Special thanks to September's performers; Soloists - Holly Gilchrist S2, Eilidh Morley S3, Catriona Ferguson, Miki Keane S5 and Katie MacDonald S6. Woodwind Ensemble – Anna Stricevic S3, Aislinn Hastings S3, Donny Lin S5, Miki Keane S5, Katie MacDonald S6, Florence Gray S6 and Maddie Bruff S6. Clarinet Ensemble – Carla Jamieson S2, Maja Trusewicz S3, Anna Stricevic S3, Freya Chalmers S3, Aislinn Hastings S3, Florence Gray S6

The expedition season finished successfully for all of Hyndland's 2017 participants, even with some challenging weather conditions for our Silver teams. Well done to all! We are looking forward to the 2017 Award Ceremony in The Royal Concert Hall on Tuesday 21st November. This is always a great event and a proud moment in the Hyndland DofE Calendar. Participants, at all levels, who have completed all sections of their awards in the last year, will be invited to receive their certificates. However if you have not managed to complete it all by 31st October, don't

worry, you can still finish and attend next year's awards.

There is never a lull in the DofE year. As 2017's Bronze and Silver participants consider undertaking the next award level, Hyndland's S3 pupils will be thinking about undertaking the Bronze level. One thing to remember is that you cannot sign up for any other IDL week trips or activities if you do your Bronze award.

An S3 pupil and parents information evening will be held in the school library on Wednesday the 1st November, immediately after the S3 parents night.

"Get involved and open up your world to new interests, talents, friends and fun. Gain the confidence to believe anything's possible" www.dofe.org

TRIP TO STRATFORD-UPON-AVON

The English and Drama department are organising their annual trip to Stratford-Upon-Avon. The trip will take place from **Thursday 23th August to Saturday 25th August 2018**. The cost of the trip is approximately **£270.00** – we

will confirm final price when tickets have opened for public booking. The shows this year are: "The Merry Wives of Windsor" and "Romeo and Juliet". Transportation, all meals (breakfast, lunch and dinner), two nights' accommodation, theatre tickets and sightseeing excursions will all be included in the cost of the trip. If you would like your child to attend this trip, please **collect a letter** and have your child return it with a **£50 deposit** to Mrs McDade as soon as possible. Space on the trip is limited—first come, first served!

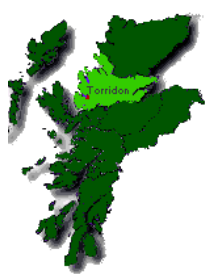

Our journey towards becoming a Rights Respecting School is well underway. We are delighted to report that we have had a fantastic response from pupils signing up to become UNICEF ambassadors. Training for the ambassadors has begun and materials are being delivered during tutor time. Our first task is to raise awareness of the UNCRC and to that end pupils are reading the articles during tutor time and identifying ten articles which they think are most relevant for our school. Over time, and in consultation with the community, we will reduce the

ten most popular down to four articles which are most significant for our community. You can follow our story on our Glow Blog

<https://blogs.glowscotland.org.uk/gc/hyndlandsjourneytorightsrespecting/> (leave a comment so that we know you are reading!) and on Twitter @HyndlandRRS

TORRIDON

Partnership with Starter Packs Glasgow

Thursday 5th Of October saw pupils in Torridon, led by House Captain Abby Cameron, formally launch their house charity partnership with Starter Packs Glasgow. This Govan based charity works across the city to support families and alleviate poverty by providing a pack of essential household goods to those moving in to a new tenancy, often after a period of homelessness.

So far we have been collecting CDs and DVDs which will be donated and resold in the charity's outlet, the Magpie's Eye store to fund materials for packs. It is our intention to hold another collection towards the end of October (details to follow on Twitter). Essentially, as more families move towards streaming music and film, we are looking for you to donate good quality saleable media. We have of course asked youngsters to ask permission before bringing items in. We then plan to visit the Starter Pack warehouse to see how the operation works and target further fundraising to support the charity. You can find more information about Starter Packs Glasgow at www.starterpacks.org.uk and on Twitter @SPG_Glasgow .

Raymond Carstairs

Principal Teacher of Pastoral Care

MATHS DEPARTMENT

Maths Week Scotland 11th – 17th September

The maths department celebrated our very first maths week Scotland in September. Not only did we have many activities within maths, we also had other departments around the school taking part in numeracy activities too.

As well as activities in class, all of the S1 and S2 took part in a nationwide Sumdog completion that had them competing with pupils from other schools throughout Scotland. We didn't manage to win, however we did enjoy taking part.

The Advanced Higher class had the opportunity to visit Glasgow University to watch a fantastic lecture on how to get away with murder (using probability).

All of this and more is available to view on our twitter site **Maths@Hyndland**

The Maths department is officially using Edmodo. Pupils can sign up and get access to shared content, quizzes, assignments, and communicate with their teachers and peers.

HEALTH AND FOOD TECHNOLOGY

The third year HFT class recently went to an allotment and harvested the seasonal fruits and vegetables. The following day they harvested 100 apples from the apple tree at the front entrance of the school.

The apples weighed in total 19.5 Kgs .

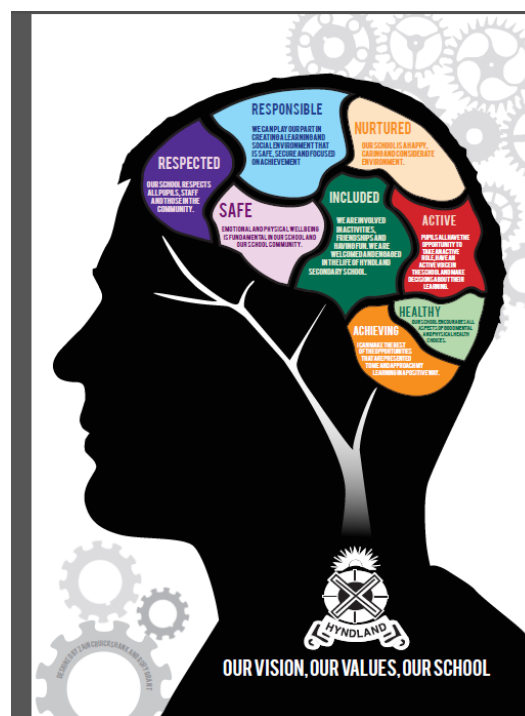

The following lessons resulted in beetroot chutney, Chocolate and courgette muffins, apple and rhubarb jam, potato and leek soup, apple crumble, rhubarb crumble, eves puddings.

School Merit System – End of Merit Period 1 – October 2017

Students in S1-S3 have been working hard since the start of the new term to collect Merits for outstanding effort, achievement and attitude in class. Students have been provided with information at year group assemblies and during PST time about how they can collect merits.

End of Merit period 1	6/10/17
Merit reward event 1	Wk beginning 09/10/17
End of Merit period 2	15/12/17
Merit reward event 2	Wk beginning 18/12/17
End of Merit period 3	16/02/18
Merit reward event 3	Wk beginning 19/02/18
End of Merit period 4	27/04/18
Merit reward event 4	Wk beginning 30/04/18
End of Merit period 5	15/06/18
Merit reward event 5	Wk beginning 18/06/18

During the first block which ran from August up to Friday 6th October the total number of merits awarded to each year group were as follows:

S1 = 1030 merits

S2 = 1274 merits

S3 = 389 merits

For the first reward event which took place on Thursday 12th October, the 30 students in each of the three year groups with the highest number of merits were taken to the Grosvenor Cinema to see a special preview of the new Lego Movie Ninjago. Well done to all the students involved!
Merit totals have now been reset to zero and all students in each of the three year groups.

Attendance at Hyndland

At Hyndland Secondary School we are fully committed to help each and every one of our learners achieve their full potential. One important ingredient to success at school is excellent attendance. We are extremely proud of the high standards which our young people meet and are grateful of the support which we receive from parents/carers with regards to maintaining excellent levels of attendance across our school.

Every school day counts:

100% attendance	=	0 days missed	=	Best chance to succeed
95% attendance	=	9 days of absence missed in a school year	=	1 week and 4 days of learning missed
90% attendance	=	19 days of absence missed in a school year	=	3 weeks and 4 days of learning missed
85% attendance	=	27 days of absence missed in a school year	=	5 weeks and 3 days of learning missed
80% attendance	=	36 days of absence in a school year	=	7 weeks and 3 days of learning missed
75% attendance	=	45 days of absence in a school year	=	9 weeks and 1 day of learning missed

There is much we can achieve by working together to maintain high levels of attendance. Please remember to call the school and speak to your young person's Pastoral Care Teacher if you would like any information or advice regarding attendance

Congratulations!
