February 2018

Dear Parent/Carer,

Course Choice preparations are well underway with our young people in S2. As part of the programme a Careers Event has been organised in the Games Hall with a range of employers during the school day on Thursday 1 March. Some of our Parents/Carers and family members are also supporting the event – please get in touch if you would also be able to come along and talk to the young people about your job/career. This is set to be an informative and very interactive event.

I would also like to inform you of an information evening for all Parent/Carers of S2 young people. This will take place in the Airlie Theatre at 6pm on Thursday 22 February. I will be supported on the night by Pastoral Care colleagues and Skills Development Scotland and will inform you of the Course Choice process and the support that is provided for the young people in S2. It would be great to see as many of you as possible on the night.
