

March 2017

Dear Parent / Carer

I am very pleased to send you this final written report on your child's progress in S2.

Each teacher has commented on aspects of performance and has highlighted progress and next steps.

During S1 – S3 the young people at Hyndland Secondary School follow a Broad General Education. An explanation of Levels which are mentioned in the report is provided below:

| Level | Stage |
|-------------------------|---|
| Early | The final two years of early learning and childcare before a child goes to school and P1, or later for some. |
| First | To the end of P4, but earlier or later for some. |
| Second | To the end of P7, but earlier or later for some. S1 to S3, but earlier for some. The fourth level broadly equates to Scottish Credit and Qualifications Framework level 4. |
| Third and Fourth | The fourth level experiences and outcomes are intended to provide possibilities for choice and young people's programmes will not include all of the fourth level outcomes. |

Please discuss the report with your son or daughter and in particular any advice given on how to improve performance.

I will be grateful if you would take time to complete the Evaluation form, located at the back of the report, and return via your child's Class Tutor at your earliest convenience.

We very much value parent and carer input to our improvement agenda. Bearing this in mind we would like to take this opportunity to invite S2 Parents to participate in a S2 Parent Focus Group with Senior Staff in the school. The meeting will take place on **Wednesday 4th May, 4.30 – 5.15 pm in the Conference Room in the Main Building.**

Please return the slip below to the school office to indicate your interest in attending the Focus Group.

Yours sincerely
