

September 2018

Dear Parent, Carers and Guardians,

Please find enclosed a copy of your child's S4 interim report.

For National 5 courses, the **working grade** on the interim reports reflects the current level of attainment in the subject, which can be evidenced through work already undertaken and assessed by class teachers.

Your child has also, in discussion with their class teachers, identified a **target grade** for each subject; they will work towards these target grades over the coming months. These target grades will then appear on their November report.

You will also find enclosed information relating to key dates and course outlines.

Should you have any questions relating to the interim report, please get in touch with your child's Pastoral Care Teacher in the first instance.

I would also like to take this opportunity to invite you to our **Study Skills Information Evening** on Thursday the 27th of September at 6.00 pm, where we will give an insight into the supports available to our young people in preparing them for SQA assessments and examinations.

Yours sincerely

Maura McNeil
Head Teacher
