## Getting around the school building

- ✓ You will be given a map on your first day here at Hyndland to help you get around the building.
- ✓ Two buildings in the school - Lauderdale (rooms begin with L) and Airlie (rooms begin with A)
- ✓ The first number for each room number of your timetable indicates which floor the room is on e.g. **L1** means Lauderdale first floor and **A0** means Airlie ground floor.
- ✓ The second number (and third) means the room number e.g. **L008** - means Lauderdale building ground floor, room 8.
- ✓ Remember to ask any member of staff or pupil if you get lost!
- ✓ There are also signs on each floor at the stair well detailing which departments are on each floor, as well as departmental welcome signs all around the building - if you get lost follow these signs!
