5th May 2023

Dear Parent / Carer,

I would like to offer you a very warm welcome to our school community for what will be an important next stage of your child's journey.

We are delighted that your son/daughter will soon become part of our community.

We hope our S1 induction plan that follows will ensure that you and your child are as informed as possible to what life will be like in our school and the supports that will be in place.

In our school we are very proud of the dedication from all our staff who believe passionately in giving the very best opportunities to all of the young people within our school.

We also are very proud of the young people who attend our school and offer so much to our community, ethos and attainment.

We hope you find our school community to be a supportive place. We are committed to a community where young people can feel happy, safe and included and one in which the door is always open to you all.

We look forward to working with you and your family.

Louise Edgerton
Head Teacher
