Dear Parent / Carer,

I would like to offer you a warm welcome to our school community for what will be a very important part of your child's journey.

The purpose of the S1 induction plan is to ensure that you and your child are as informed as possible to what life will be like in our school and the supports that will be in place.

In Hyndland Secondary, we are very proud of the dedication from all our staff who believe passionately in giving the very best opportunities to all of the young people within our school, and also you as parents and carers. We also are very proud of the young people who attend our school and offer so much to our community and ethos.

Our school community is a supportive place, one in which the door is always open to you all. This allows us to discuss and work with you and support your child's dreams, beliefs, successes, wobbles and achievements.

Our commitment is to work together to ensure that our young people in our community, are happy and safe in Hyndland Secondary, we look forward to meeting you all in due course.
