Dear Parent and Carer,

As you may be aware from our recent S2 virtual assemblies, and PSE input by the Pastoral Care Team, we are now in the early stages of sharing information with our S2 learners about the S3 course choice input. Between now and June, our S2 learners will select subjects which they are going to study in S3.

A number of events have already taken place with our S2 learners to help guide and advise them on the subject choice process which include;

- Virtual S2 assemblies which will feature presentations from Mrs Hayes (DHT S2/S3) and Mr Carstairs (Principal Teacher of Pastoral Care).
- Input from Vanessa Kokota, our school Careers Advisor who works for Skills Development Scotland at an S2 assembly.
- Presentations from subject departments which will be posted weekly on the S2 year group team and on Satchel one as a homework task for young people to watch (these will also be posted on the school website for families to view).
- Options booklet with an overview of all subjects being made available on the S2 year group team and on the school website.

Further events planned include;

- Careers input will follow from employers/ businesses and other career pathways to help inform subject choice.
- Individual one-to-one interviews with our school Careers Advisor, Vanessa Kokota, with each S2 learner via Teams (or in person dependent upon the school re-opening) with every S2 learner from March-May.
- Individual one-to-one interviews with your young person and their Pastoral Care Teacher – hopefully in person dependent upon the school re-opening during April and May.

To help provide information to parents and carers, we have planned an online information presentation which will take place on **Wednesday 24<sup>th</sup> February starting at 6pm and is expected to last around 20 minutes**. This will be delivered via Teams with an invite being posted on the S2 year group team. Parents/carers should access this live presentation via their young person's school iPad and watch the presentation along with their young person.

Following this we would encourage any parent/carer to email Mrs Hayes ([gw09hayesclare@glow.ea.glasgow.sch.uk](mailto:gw09hayesclare@glow.ea.glasgow.sch.uk)) with any questions that they may have – we will then post answers to these collectively on the S2 year group team and also on our school website.

Skills Development Scotland have also asked us to alert parents/cares to an online event which they have planned for S2 parents and carers which will take place on Thursday 25<sup>th</sup> February at 6.30pm. If any parent/carer wishes to attend this online event they should register for a free ticket via Eventbrite using the following link - <https://www.eventbrite.co.uk/e/helping-your-child-with-s23-subject-choices-tickets-141267909119>

We hope that the information in this letter has been helpful, and we look forward to welcoming you to our online information event on **Wednesday 24<sup>th</sup> February at 6pm.**

Yours sincerely

Mrs L Edgerton
