The screenshot shows the homepage of the Apprenticeships in Scotland website. At the top, the title "Apprenticeships in Scotland" is displayed in orange, with "powered by the career studio" underneath. Navigation links for "What's the story?", "Blog", "Employer", "Young people", and "Contact" are in the top right. Social media icons for Facebook and Twitter are also present. A main banner features a photo of people in a meeting and a headline: "The Apprenticeship & Training Job Board for Scotland". Below this is a featured article titled "3sun Group Takes on a Record 20 Apprentices" with a sub-headline and a short paragraph. Two blue buttons with white text and right-pointing arrows are labeled "JOB SEEKERS Sign Up" and "EMPLOYERS Sign Up". A footer section contains three promotional boxes: "Get Applying!" for Baltic Training Services, "My World of Work" for Skills Development Scotland, and "Network Update" for Employers and Training Providers. At the bottom, a "Search opportunities by Sector:" section lists various industry categories in a grid format.

The Apprenticeship & Training Job Board for Scotland

3sun Group Takes on a Record 20 Apprentices

3sun Group, a leading provider of products and services to the energy industry in the UK and internationally, has announced that it has taken on a record 20 apprentices. It is a major achievement for the company as it continues its efforts to train the workforce of tomorrow. Last year the Group recruited ten individuals in what was a significant rise from previous years when it took on two or three apprentices per year. The apprentices are trained through the ECITB which aims t...

Carousel Training Centre was established in November 1997 and has since become the largest child care training provider in Scotland offering Scottish Vocational Qualifications in Children's Care, Learning and Development level III.

We are a Scottish Qualifications Authority approved centre and provide quality training to the early years sector.

We do this by providing nurseries with Modern Apprentices who we then train to a standard of excellence in this very specialised area.
