

PRELIM TIMETABLE 2023

REVISED VERSION – AS OF 22.12.22 DUE TO IMPENDING INDUSTRIAL ACTION IN JANUARY 2023

Best of luck in your Prelim Assessment Diet

Normal timetabled classes will not operate from the 4th January – 20th January. Instead Masterclasses will run the day before your assessment. Please see Masterclass timetable for details.

This assessment diet will run in the same way as your SQA diet. Please highlight when your assessments are so you are very clear. Some subjects will ask you to sit two papers so please be aware of this. Assessments will take place in the Games Hall or classrooms close by. Please enter through pupil entrance where you will be able to check the register to find your seat number. Please then report to the Fuel zone and you will be collected and taken to the Games Hall.

- All bags, jackets, phones and smart watches must be left at the side of the Games Hall during assessments and phones and smart watches must be turned off. This is in line with SQA procedures. Failure to do so will result in a No Award.

- Please come prepared with the relevant stationary required for each assessment.

If you have noticed a clash with two assessments, please be reassured that we are already aware of this and Miss Stewart will meet with you to organise a solution.

If you are going to be absent from an assessment due to severe ill health, please contact the school office as soon as possible so alternative arrangements can be made. Please then arrange for Doctor's certificate to be handed into the office following this.

Once again, we wish everyone well in their preparations.
