3 February 2025

Dear Parent/Carer,

We are ready to embark on the Course Choice journey for S2 and preparations are now in place. We are pleased to share these plans with you as detailed below;

The first event will be a **Parents & Carers Information Session and Careers Event on Thursday 27th February 2025**.

The evening will be in two parts:

6pm – Information session. Please enter via the playground and attend the Airlie theatre for the Information Session. This will consist of presentations from Pastoral Care colleagues and Skills Development Scotland and will inform you of the Course Choice process and the support that is provided for the young people in S2. This should last no longer than 45 minutes.

There will be a short break of 15 minutes to allow movement between the buildings.

7pm – Careers Event. Please enter via the main entrance on Lauderdale Gardens to access the Careers Fayre in the Games Hall. This will consist of stalls set out with contributors from many career paths: Journalism, Arts, Events, Computing & IT, Teaching, Charities, Engineering, Medicine, Law, Accountancy, Armed Forces, Kelvin College

The evening will finish at 8pm.
I hope you find the evening worthwhile.

Please register your intention to attend by completing the Glow Form : [Careers Information Night 2025](#)

The S2 Parents' Evening on **Wednesday 19th March 2025**. This will run from **4pm – 6.30pm**. **Parents & Carers and young people can meet with class teachers to discuss progress.** Appointments can be made via the online booking system and details will follow in a separate communication

There are a few other useful resources to support.
Departments have prepared SWAY presentations to provide specific subject information. These will be available to view on the S2 Yeargroup TEAM and can form support for useful discussions about what subjects can offer.

This year, young people should already have registered with My World of Work:

<https://www.myworldofwork.co.uk/>

This is an excellent resource for young people. There is also a section for Parents and Carers to support their young person with their course choices:
