Dear Parent/Carer,

## S2 Tracking Report/ S3 Course Planning

As part of the final reporting exercise in S2 and in preparation for S3 course planning, we have asked staff to give an indication of potential pathways for young people as well as report on their Behaviour, Effort and Attitude. Please note that no Progress rating is entered for Religious Studies or Rights Respecting as these do not progress to National Qualifications. For each subject class teachers have indicated via the Progress rating whether a young person is likely to work towards National 3, National 4 or National 5 level in S3 with a view to achieving this level or beyond by the end of S4.

This information is to support young people understand where their strengths lie and is not an indication of presentation level. Any decisions about final presentation levels will be taken during S4 once young people have demonstrated their full potential in a subject.

There is more than one pathway for young people moving from the Broad General Education into the Senior Phase.

The illustration below shows the possible pathways from S2 in to S3 in the BGE then on to the Senior Phase.

Broad General Education				Senior Phase
