Dear Parent/Carer,

Course Choice preparations have commenced with our young people in S2. As part of the programme a Careers Presentation has been organised online via TEAMS on 9<sup>th</sup> March 2022. A link for this meeting will be sent in due course. Some of our Parents/Carers and family members are also supporting the event – please get in touch if you would also be able to support in recording a short presentation for young people about your job/career. This is set to be an informative and very interesting event for our young people.

Also planned, is an Information Evening for all Parent/Carers of S2 young people which will take place on TEAMS on 9<sup>th</sup> March 2022 immediately before the Careers event. This will consist of presentations from Pastoral Care colleagues and Skills Development Scotland and will inform you of the Course Choice process and the support that is provided for the young people in S2.

I look forward to welcoming you online on that evening.

Prior to that, Skills Development Scotland are hosting a free webinar with Careers Advisers who will focus on 'How to have meaningful conversations with young people'. This will take place on Thursday 27<sup>th</sup> January 2022 between 6.30pm and 7.15pm. You can sign up via the link <https://www.eventbrite.co.uk/e/how-to-have-meaningful-career-conversations-tickets-230815504387>

Young people should already have registered with My World of Work: <https://www.myworldofwork.co.uk/>  
This is an excellent resource for young people. There is also a section for Parents and Carers to support their young person with their course choices:
