October 2019

Dear Parent / Carer

Subject teachers have recently given an early indication regarding progress for all pupils in Second Year. It is vitally important that a steady and consistent work rate is maintained throughout the session if pupils are to achieve their full potential.

Along with the S2 tracking report you will also find enclosed a course outline hand-out which summaries the learning being undertaken in each curricular area during S2 as well as the skills being developed in every subject area. You will also find a family learning leaflet which provides parents and carers with examples of how they can help to support their child's learning at home which we hope you will find beneficial.

A second tracking report will follow towards the end of January which will give a further update on progress being made within each curricular area prior to the subject choice process beginning for preparations into S3.

The report enclosed provides an indication of working level – generally speaking, most young people will move from level 2 in primary 7 onto level 3 Experiences and Outcomes and some will progress to study level 4 at appropriate points during S2 or S3. The report also contains a grade for progress which helps to identify how your child is progressing through the curriculum.

If you wish to discuss the contents of this report further please telephone your child's own Pastoral Care Teacher in the first instance.

2K Mrs Ritchie2R1 Mrs Mills 2T1 Ms Ahmed
2L Mrs Pollock2R2 Mrs Mills 2T2 Mr Carstairs

If I can also take the time to remind you about our electronic tool called Show my Homework which we use to issue all homework to young people at Hyndland. If you need any help as a parent accessing this free app on your mobile device please feel free to get in touch with Mrs Forrester, Depute Head Teacher at the school or your child's Pastoral Care Teacher.

Yours sincerely

L Edgerton
Head Teacher
