26TH February 2024

Dear S4 and S5 families,

We are now preparing to embark upon the S5 and S6 options process with our current S4 and S5 students. Over the course of this term, a number of activities will take place to help support both our learners and their families in choosing their subjects for either S5 or S6.

The first event to support families and young people is an Information Evening which will be delivered in person in the school. The evening is aimed at mostly S4 families but S5 families are welcome to attend if they wish. The evening will take place on **Thursday 7th March starting at 5.45pm in the Airlie Theatre**. The evening will last no longer than 40 minutes.

To help support the course choice process, we would strongly encourage our young people to continue to engage with the My World of Work website – <https://www.myworldofwork.co.uk/> all young people should have registered with this website during S2. This is an excellent resource for young people. There is also a section for Parents and Carers to support their young person with their course choice. <https://www.myworldofwork.co.uk/my-career-options/where-can-option-choices-take-you>

Please find on the following page a list of key events that will take place during this term to help support the course choice process for our S4 and S5 students.

Please do not hesitate to get in touch with either myself or your child 's Pastoral Care Teacher if you have any questions about the course choice process. Please also keep an eye on our school website (www.hyndland-sec.glasgow.sch.uk) and twitter (@hyndlandsec) for further updates and useful links to information to help support the course choice process.

Yours sincerely

Mrs L Forrester
