1st February 2025

Dear families,

S5/6 PARENTS' EVENING – Thursday 13TH February 2025 – starting at 4.00pm

To provide you with an opportunity to discuss your child's learning and progress following the recent prelim diet of exams held in January, and as they prepare for their National Qualifications, we will be conducting our parental meetings for S5/6 parents/carers in person in the school building.

HOW ARE APPOINTMENTS MADE?

Appointments can be made via our online booking system.

You should visit <https://parents-booking.co.uk/hyndlandsecondary> to open the booking site, enter the details for the Main Parent which matches the details on our system.

We recommend using the "Suggest Bookings For Me" option which will work out the best order to see your selected teachers.

The system will be open for bookings from **6pm on Monday 3rd February 2025**. A more detailed "how-to-guide" is available on the school website for you to refer to – this can be found under the 'our school section' and 'parents meetings' sub-section (under the our school menu bar).

HOW MANY APPOINTMENTS CAN PARENTS MAKE?

You should review your child's timetable to confirm the teachers they have – most learners in S5/6 will study around five National Qualification courses – so hopefully it should be possible for you to speak to most if not all teachers on the evening. **If there are any subjects that you have concerns about or that your young person is under performing in, we would suggest prioritising these appointments first.**

If you are unable to book an appointment with one of your young person's teachers due to there being no available appointments left, we can provide some feedback via your child's Pastoral Care Teacher after the event. If this is the case, please contact your child's Pastoral Care Teacher via email to request this.

During the evening, some members of the Pastoral Care Team as well as middle leadership team, will be offering a drop in option – if any families would like advice in how they can support their young people preparing for their SQA exams in April/May, we would encourage them to pop in to speak to staff. Details of the room location will be on display upon arrival.

Mrs McFarlane, PT Support for Learning, will run a drop-in service in the Pastoral Care Base if you would like to discuss any specific learning needs for example if your young person has a formal Additional Support Need or AAA arrangements which are in place for your child's SQA exams.

Vanessa Kokota our school Careers Advisor, who works for Skills Development Scotland will also be available to meet on the evening. We would suggest that any young person who is considering leaving school at the end of S5 or who is concerned about the S5 into S6 options process, books an appointment with her via the booking system.

HOW LONG DO PARENTS HAVE WITH EACH TEACHER?

Five minutes. We appreciate this is not very long, however we wish to hold as many interviews as possible in the limited time available. We ask that teachers and parents are as strict as possible in sticking to the timetable.

HOW WILL THE APPOINTMENT WORK ON THE EVENING?

When families arrive at the main entrance to the school they will be issued with a room list – **please bring along a printed copy or an electronic copy of your appointment sheet**. Senior students will be on hand to offer guidance on making your way around the school building. All appointments will take place in the Lauderdale Building.

WHAT WILL BE THE MAIN PURPOSE OF THE EVENING?

To allow teachers to discuss strengths developed at this stage in S5/6 and what next steps can be taken to ensure further progress is made. Performance in the recent assessment diet of prelims undertaken in January will be discussed as part of your young person's progress in each subject. If an appointment is booked with Pastoral Care they will provide parents with an overview of how their young person is progressing in their National Qualifications and will be able to support with any specific concerns raised.

We look forward to meeting with you on **Thursday 13th February 2025**.

Best wishes.

L Edgerton - Head Teacher
