

# S5/6 Prelims

## January 2022

### **Best of luck in your Prelim Assessment Diet**

You will follow your assessment timetable the same way as you follow your normal timetable using the periods.

-Turn up to your classroom / small gym hall on time.

- All bags, jackets, phones and smart watches must be left at the side of the gym hall / front of the classroom during assessments and phones and smart watches must be turned off. This is in line with SQA procedures. Failure to do so will result in a No Award.

- Please come prepared with the relevant stationary required for each assessment.

***STUDY TUTORIALS will be offered for all Higher Subject areas. If you wish to attend then please report to the relevant Department at the start of the period.***

***Health and Wellbeing 'Drop in' sessions will also run on a Monday period 5. If you wish to attend one of the sessions, then please report to the Fuel zone.***
