

The Connected Learning iPad scheme will provide every pupil in Hyndland Secondary with an iPad and a range of e-learning tools and resources to assist and enhance their learning at school and at home.

The iPad provided belongs to Glasgow City Council and is traceable through a **Mobile Device Management System**. All parties involved (pupils, parents/carers and the school) must agree with all of the terms and conditions outlined below.

If any of these expectations are not met then the school reserves the right to restrict or remove access to any school ICT facility as in line with the Pupil Acceptable Use Policy. This policy can be found using the URL bit.ly/HyndAUP

As a pupil, I agree to:

- Look after my iPad carefully at all times and keep my iPad in its supplied case and store it in an appropriate school bag when outside my class.
- Immediately report any technical problems, damage, loss or theft to **the school office**.
- Bring both the iPad and the supplied charger into school every day unless told otherwise. The iPad should be charged fully at the start of each day.
- Only take my iPad out in class or in a secure environment such as my home. Never take my iPad out in the playground, when walking between classes or when travelling to and from school unless directed to do so by a teacher.
- Only use my iPad in lessons when instructed to by my teacher and close it or put it away when my teacher says so. Only use apps and websites on my iPad that my teacher has agreed I can use in the lesson.
- Never share my pass code with **anyone**.
- Present my iPad for a check whenever I am asked to do so by a teacher. If I have forgotten my iPad – I must bring it in the next day to show it hasn't been lost or stolen. Failure to do so will result in a communication home.
- Only use my iPad to record audio or video clips with the clear and explicit permission of everyone involved in the recording.
- Never access inappropriate content on my iPad or attempt to bypass any of the security features.
- Never remove any asset tags or security markings from my iPad.
- Do not allow the iPad to be subject to graffiti – this includes stickers on the case.
- Ensure that all work stored on the iPad is regularly backed up onto Onedrive using Glow.

As a parent/carer, I agree to:

- Ensure that my child cares for and respects their iPad.
- Immediately report any loss or theft which happens out of school to the **school office.**
- Ensure that the iPad is used solely by the child that the school has given it to.
- Ensure that the iPad is returned to the school if your child leaves the school, or at any other time upon the request of a member of staff.
- Monitor my child's use of the iPad on the Internet at home, to ensure that only appropriate websites are accessed - the same filtering will apply as in school.

The school agrees to:

- Provide pupils with an iPad and access to a range of e-Learning resources.
- Give pupils an introduction to using and caring for the iPad. This will include a session on security, e-Safety, maintenance and health and safety.
- Provide pupils with a range of learning opportunities which make use of the iPad, both in school and at home.
- Provide parents/carers with ongoing advice to help them support their child's use of their iPad.
- Make sure that any repairs required on the iPads are communicated to our IT service provider to ensure they are dealt with as quickly and effectively as possible
- Provide access to wireless internet provision within the school. Provision will be made during school opening hours to allow pupils to complete homework/carry out research using the internet if required. The school will not be responsible for any costs involved, nor content accessed, when the Internet is used out of school.
- Do regular checks on the condition of the iPads. If an iPad has been forgotten, this will be recorded.
- Issue questionnaires to pupils and parents/carers to help us in the ongoing evaluation of the iPad.
