Student Induction - August 2020

Timetable Session

Your school timetable

- Every student will be issued with a paper copy of their school timetable.
- S2-S6 should take a photograph on their iPad immediately.
- S1-S6 should take a photograph on their mobile phone if they have one.
- It is important this is not lost as we are trying to reduce the amount of paper in the school for safety reasons.

New S3, S5 and S6 Students Only

- Please check your timetable just now to ensure all subjects are correct.
- If there are any errors i.e. subjects that are wrong – please inform the teacher delivering this session who will inform Pastoral Care.
- Students should NOT visit Pastoral Care as part of the Induction to discuss this – we will rectify this before next week.

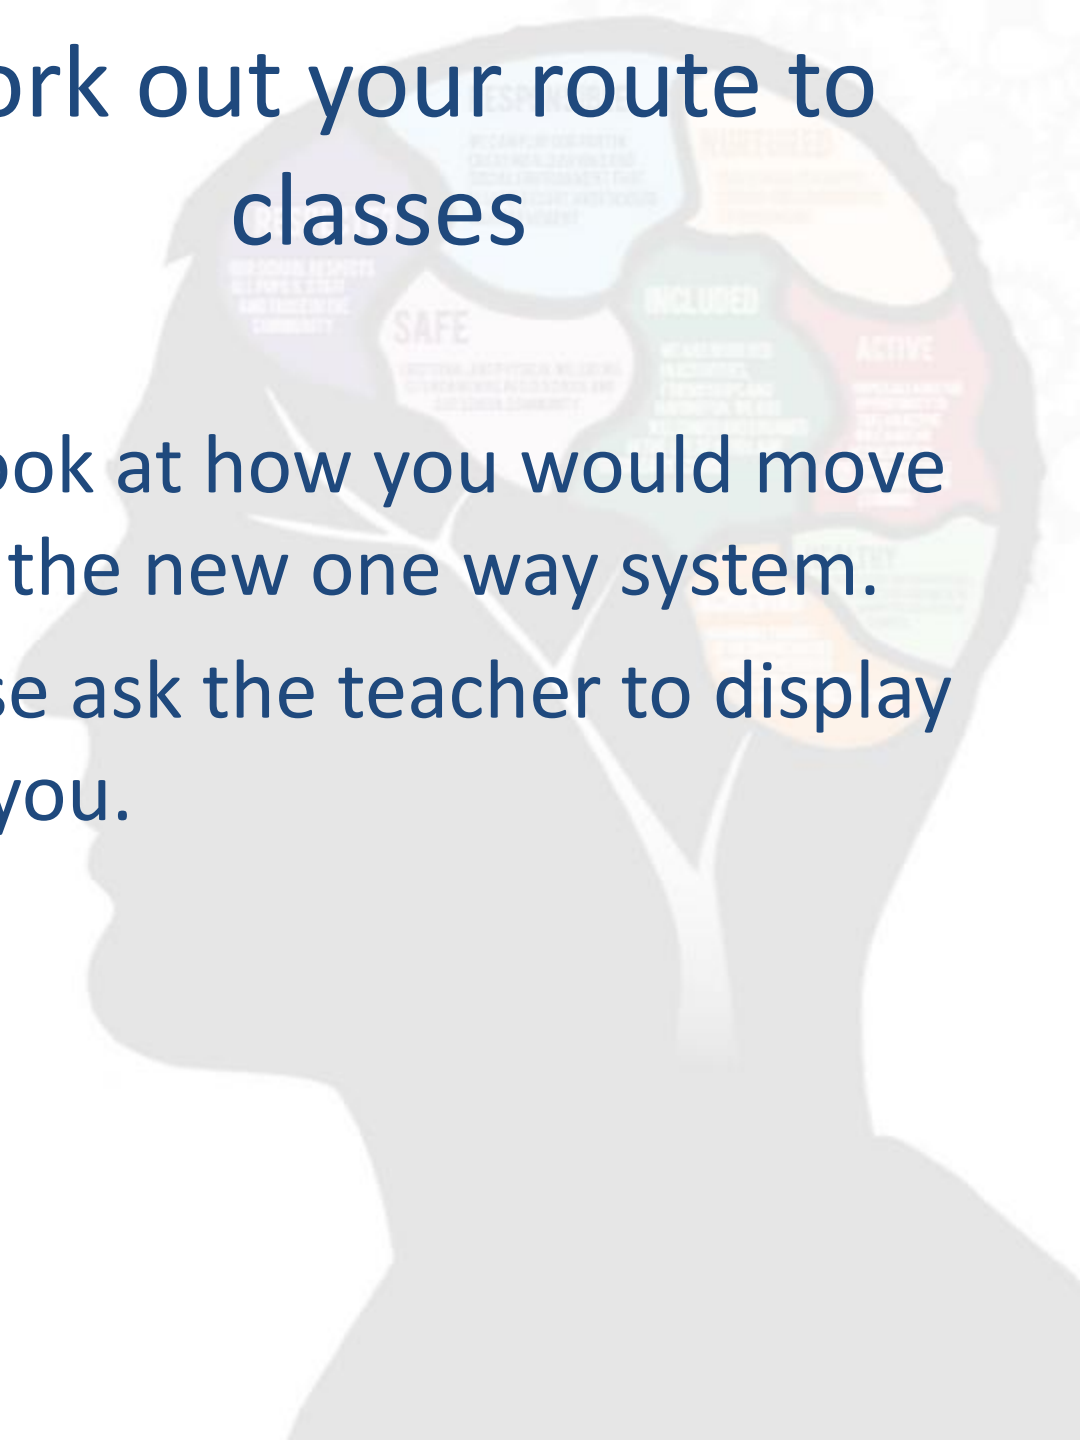

New S3, S5 and S6 students

- If there is an error on your timetable please tell your induction teacher just now.
- An email will be sent by the Induction Teacher detailing any errors to the relevant Pastoral Care Teacher and Mrs Hayes and Mrs Forrester. The email should state the name of student, what subject they have on timetable and what they want to do instead (only if errors)!

Work out your route to classes

- It may be helpful to look at how you would move from each class using the new one way system.
- If you need this, please ask the teacher to display this on the board for you.

New S1 Only

- First day arrangements on Monday 17th August
- ALL new S1 should meet in the playground at 8.45am on Monday 17th August.
- Staff will be there to guide you to your first timetabled class. Remember to bring your school timetable with you!
