BGE Reconnection and well-being in school sessions

We are organising a timetable of reconnection and well-being activities for our BGE students (S1-S3) that can be undertaken safely in school from Monday 15th March onwards. There will be a slightly different focus for each year group, but a significant part of the programme will focus on supporting our young people to reconnect with school and prepare them for their full-time return following the spring break. For example, our S2 learners will undertake some focused work to help inform their S2 into S3 course choice selection, whilst our S3 learners will undertake some preparatory work to help prepare them for entering the senior phase later in the session when they join S4.

Please note that for S3 students, they will attend either morning (which will consist of 3 learning blocks) OR afternoon slots (which will consist of one learning block) – this will be rotated over the three weeks of in-school learning.

For S1 students, they should meet DIRECTLY at the football pitch on Lauderdale Gardens for their session and should wear appropriate clothing suitable for PE. S2 students should also ensure they wear suitable clothing for PE.
